AFF Training Centre

Road from Tidworth

Road coming from the A303

Marlborough Road is the main road through Bulford. It is lined with large military signs indicating the barracks and facilities in the camp.

This crossroads has a lot of advertising signs on the railings. Turn down Horne Road, past some recycling skips then immediately right into Kandy Road.

We are the last building on the left (look for the AFF Training Centre signs). There is a large car park opposite the centre, with plenty of free parking.
